SUMMARY

Project manager for video game marketing campaigns, esports events and live broadcasts. Runs creator-led launch campaigns for mobile and AAA publishers including Activision, HoYoverse, Devsisters and Epic Games, from scope and budget to post-campaign reporting. Brings 10 years of production and creative direction experience from UFC, BoomTV and broadcast TV.

WORK EXPERIENCE

Aftershock Media Group (AMG) **2025 - Present**

Project Manager

- Manage creator-led launch campaigns for Activision, HoYoverse and Devsisters from scope to broadcast, running up to two projects at a time on three- to four-month timelines
- Lead cross-functional teams of up to 24 staff in accounts, creative, procurement and production, plus up to 24 creators
- Manage six-figure budgets, schedules, contingency plans and client approvals, and report on reach, engagement, CPV and CPM
- Led a four-month Activision launch with two events, a 24-hour creator marathon and a $50K tournament, delivered on schedule (56.6K peak viewers)
- Ran repeated playtests on a custom Fortnite map for HoYoverse and logged bugs with the developer, catching game-breaking issues before the live broadcast (43.3K peak concurrent viewers, 71M impressions)
- Built contingency plans for live-event risks such as uneven team skill levels, so broadcasts stayed on schedule
- Planned one production that delivered horizontal and vertical broadcasts at once for Devsisters, instead of two separate shows
